Panasonic AG-AC8 HD Video Camera with Shooter Pack

Panasonic has packed this video camera with plenty of professional features such as multiple recording formats, an Intelligent Zoom mode that enables telephoto shots at up to 50X and dual SD card slots!

Perfect for the beginner; simply choose automatic control which senses the shooting conditions then automatically identifies the settings for you and activates functionality that will deliver clear, beautiful HD image quality.

Shooter pack includes:

- 1 - Panasonic AG-AC8 (CAMAC8)
- 1 - Pro-grade camera bag (AVTBAG2)
- 1 - Professional tripod (AVIPOD1)
- 2 - 32 GB SDHC card (KSD32GB)
- 1 - Equipment cleaning cloth (MCLOTH1)
