Draper Salara/Plug and Play Series Electric Projector Screens

The Salara Plug & Play is a new generation in motorized electric projection screens. The Salara's modern low profile, elliptical case and domed endcaps are finished in solid white. In your home or at your office, the Salara will make a design statement. The screen installs in minutes with no wiring necessary! Comes with 10' (305cm) power cord, built-in IR receiver and IR remote. Floating gunlatch wall mounting brackets grip the screen securely and are barely visible.
