The PowerLite 955WH projector is an excellent option for today's classroom. Offering 3x Brighter Colors than competitive models, Epson 3LCD projectors ensure vivid lessons. Featuring WXGA resolution and 3200 lumens of color brightness and 3200 lumens of white brightness, the 955WH shines bright. And, 1.6x optical zoom enables sharp images and flexible installation. Its low-cost, long-lasting lamp - up to 10,000 hours in ECO Mode2 - provides a low total cost of ownership. Moderator device management software3 and network connectivity allow instructors to wirelessly project4 from multiple devices, simultaneously - including computers, iOS and Android devices. It also features dual HDMI connectivity.
