# I. Summary

- Being obedient to the word of God to bring Preaching and Teaching to the world:
- The Preached Word of God, Romans 10:14-17
- How then shall they call on Him in whom they have not believed? And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher? And how shall they preach unless they are sent? As it is written: "HOW BEAUTIFUL ARE THE FEET OF THOSE WHO PREACH THE GOSPEL OF PEACE, WHO BRING GLAD TIDINGS OF GOOD THINGS!" But they have not all obeyed the gospel. For Isaiah says, "LORD, WHO HAS BELIEVED OUR REPORT?" So then faith comes by hearing, and hearing by the word of God.
- Teaching the Word of God, Matthew 28:19-20 (Great Commission)
  - Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age." Amen.
- Our purpose is to enhance the worship moment by adding visual components of 2 dropdown screens with projects in the front and rear of the Sanctuary.
- Build an Audio/Visual sound booth centralized in the Sanctuary for the Audio/Visual production of Second Missionary Baptist Church Multi Media
- Produce a professional video product through utilization of Streaming and DVD production.
- Present the word of God with weekly telecasts of our Morning worship Service and Bible study
- Other information you deem pertinent

## II. Introduction

The Audio/Visual ministry is proposing to enhance the worship moment by utilizing a revamped and remodeled sanctuary for the edification of the worship moment. The areas of modification and enhancement are:

- Dual projection of the worship moment in the front and rear of the sanctuary
- Positioning the audio/video ministry in a central and secure area while aesthetically pleasing to the layout of the sanctuary
- Live production streaming for online worship and bible study
- Marry and secure the Audio/Visual components of the church into a single secured area.

### III. Enhancements

The enhancements to be addressed:

- Installation of 2 visual displays (Front and Rear of the Sanctuary)
- Installation of an unobscured Audio/visual sound booth in the Sanctuary
- Produce live online streaming of the Worship Service/Bible Study and events
- Production of DVD media associated needs.
- Maintain social media presence through Facebook, Twitter and other associated products

## IV. Objectives

The desired goals and objectives to address the enhancements stated above. Also include key benefits of reaching goals/objectives.

- Demolition/Construction
- Technology/Equipment Procurement
- Product Delivery/Consistency

## V. Timetable

Provide detailed information on the expected timetable for the project. Break the project into phases, and provide a schedule for each phase.

	Description of Work	Start and End Dates
Phase One	Equipment procurement	October 2016
Phase Two	Building Materials	October 2016
Phase Three	Gifts in Kind	Ongoing

## VI. Budget

Audio/Visual proposed costs of the project. See attached costs spread sheet.

	Description of Work	Anticipated Costs
Phase One	Equipment	\$ 4921.00
Phase Two	Construction Costs	\$ 250.00
Phase Three	Gifts in Kind	\$ 0.00
	<b>Total</b>	<b>\$ 5171.00</b>

## VII. Key Personnel

Key personnel who will be responsible for completion of the project, as well as involved in the other personnel project.

## VIII. Evaluation

The actual project is estimated to go from Wednesday thru Saturday, actual usage being Sunday.

## IX. Endorsements

- God's blessing the project
- The Leadership
- The Congregation

## X. Next Steps

Specify the actions required of the readers of this document.

- Financial approval
- Start Date
- Equipment procurement

## XI. Appendix/Websites

See attached spec sheets for equipment and layout

## Licenses & Services

From music to movies, we have you covered.

### Music Licenses and Services

#### Our foundational license. It all starts here.

The Church Copyright License covers your copying activities that assist with congregational singing, including computer projections, songsheets, bulletin inserts, recording your service and more. We represent over 3,000 publishers/song owners and over 300,000 worship songs.

**LEARN MORE (/LICENSES-AND-SERVICES/CHURCH-COPYRIGHT-LICENSE/)**

[\(/licenses-and-services/songselect/#benefits\)](#)

Provides transposable chord sheets, lead sheets and vocal sheets, plus lyrics and audio samples for top CCLI songs.

[See more information >](#)  
[\(/licenses-and-services/songselect/#benefits\)](#)

[\(/licenses-and-services/rehearse/#benefits\)](#)

Allows you to legally copy and share commercial audio recordings and your own custom recordings for rehearsal purposes.

[See more information >](#)  
[\(/licenses-and-services/rehearse/#benefits\)](#)

[\(/licenses-and-services/stream/#benefits\)](#)

Allows you to legally stream or podcast your live-recorded worship music over the internet.

[See more information >](#)  
[\(/licenses-and-services/stream/#benefits\)](#)

### Movie/Video Licenses and Services

[church video license by CVLI](/licenses-and-services/church-video-license/#benefits)  
[\(/licenses-and-services/church-video-license/#benefits\)](#)

If your church uses movies for any ministry-related activities, you'll likely need the legal permissions that the Church Video License provides.

### Video Camera Package/2 Computer Controlled Cameras/1 Portable Camera

[Email to a Friend](#)

**The Video Mixer VM3EX is on back order until 6/15/16**

**Hang these powerful, small, white, television quality cameras anywhere and control them from the back of the church!**

**Third camera included is portable, which allows you to capture shots from around the church or even off site.**

**Save \$765!**

**Availability:** Available For Order

**Regular Price:** \$7,762.00

**Special Price:** \$6,997.00

Discreet computer controlled camera package delivers ease of use and increased functionality!

Video without being intrusive! Discreet computer controlled video camera package with mixer allows you to broadcast your service or event online through live video streaming and record to your computer or DVD recorder!

Easily control these high quality cameras from your laptop or desktop computer using the joystick that connects to your computer. Use the simple on-screen computer controls and joystick for smooth pans, tilts, zoom and focus. Kingdom's amazing new camera control programming makes all this possible.

You don't need an electrician! No power receptacles are needed near the cameras because they can be powered and controlled from 100 feet away with the provided white data cables and connections. (Up to 300 feet away with additional cabling). Ceiling mounts included and optional wall mounts are available.

Outstanding 18X optical zoom lens has great clarity! 18X optical zoom reaches up to an amazing 100 feet before going to digital zoom! Fantastic video quality even in low light conditions. Control up to 7 cameras with 6 custom presets per camera.

Feature packed 4 channel Roland video mixer. Great video mixer offers multiple video effects including picture-in-picture, (mixing two video channels together). For example, on the screen, next to the preacher you can easily display any video, picture, or wording that would enhance the impact of the message. The Chroma key feature allows you to change the background, just like a weatherman and his weather maps. It contains a built in audio mixer and touch screen. The included 19" monitor with the quad preview display allows you to view four video inputs at the same time. Great for webstreaming, and DVD ministry.

Full size portable HD Panasonic Video Camera. This high-quality camera has 21X optical zoom and is lightweight for easy transport. With the included durable tripod and carrying bag you can take your

video ministry to another level. Keep everybody involved by producing energetic video announcements. Create video testimonies at any location to encourage and build faith in the church and around the world. Make the sermons more engaging by capturing video clips off site that enhance the sermon points.

\*Not compatible with Apple OS systems.

Package includes -

- 1 - CCAM2 (2 Computer controlled camera system with all the cables)
- 1 - VM3EX (Roland VR-3EX Video Mixer)
- 1 - TV15LCD (19" preview monitor)
- 1 - KV620FX4 (DVD recorder)
- 2 - RCA100W (100' cables to carry video signal to mixer)
- 1 - C2GUSB2 (Live Streaming Cable)
- 1 - HDMI3 (3' HDMI Cable for monitor connection)
- 1 - RCA6AV (6' Audio/Video cable for DVD recorder connection)
- 2 - MCC7 (6' Audio cables for soundboard connection)
- 1 - CAMAC8 (Panasonic AG-AC8 camera)
- 1 - AVTBAG2 (Pro-grade camera bag)
- 1 - AVIPOD1 (Professional tripod)
- 1 - KSD16GB (16 GB SDHC card)
- 1 - MCLOTH1 (Equipment cleaning cloth)

## VMAX 2 Series Wall/Ceiling Mountable Electric Projection Screen

VMAX 2 Series is an enhanced multi-purpose electric/motorized screen. The VMAX screen material "Max White" is the most common material for today's new projectors with a 1.1 Gain and a 160° wide viewing angle. Our VMAX 2 comes standard with various control options such as IR, RF controllers, low voltage 3 way wall switch and 12 volt trigger port that uses a standard a RJ45 connection. A synchronized motor allows silent operation with extended operational longevity and low power consumption. It comes standard with a 6" Inch standard top black masking. 6-18" Inch optional L-Brackets, and In Ceiling Trim Kit are available for installation.

**MaxWhite** screen material is the most versatile screen surface for front projection presentations. This material provides the widest possible viewer angles with perfect diffusion uniformity while giving precise definition, image color reproduction and black & white contrast. Screen surface has black-backing to avoid light penetration and can be cleaned safely with mild soap and water. Woven screen material is a multi-layer, cross-array coated with a matte white reflective compound.

#### Additional Specifications

- Diagonal: 119"
- Electric Screen
- 160° Viewing Angle

### Projector Ceiling Mount (Max 44Lbs) - SILVER

#### Specs & Features:

- Aluminum ceiling projector brackets
- -15 degree +15 degree continuous adjustable tilt
- Height adjustable, extend from 16.9"-25.6" (43-65cm)
- With cable management
- Max load capacity: 20kg/44lbs
- Installation instructions included
- Color: Silver

The wall mount has a maximum load weight limit of 20kg or 44lb. This means that hanging anything heavier than 44lb/20kg is **not recommended** and not safe.

This bracket features tilting option. It allows to tilt your projector 15 degree up and down, which you may find very convenient if you need to change the angle of your projector.

Once you hang your projector on this bracket, the distance between the projector and the ceiling will be 16.9in (folded mode) or 25.6in (fully extended mode). This will allow you to leave

just enough space for the cables that will be plugged in to the projector, which will be useful in particular if the cables are not coming out of your wall directly behind the projector

This bracket is not only handy, but also safe. It has been tested for the presence of Lead, Cadmium, Mercury, Hexavalent chromium, Polybrominated biphenyls, and Polybrominated diphenyl ethers, which are hazardous for the human health if used in above normal amount.

- Note: Product image may be slightly different than actual product received

### ► DETAILS

**Manufacturer:** Elgato Direct  
**Shipping Dimensions**  
**Length:** 7.4"  
**Width:** 5.8"  
**Height:** 1.7"  
**Weight:** 0.7" pounds

### ► COMMUNICATION

If you have a problem or question regarding your transaction please contact us before leaving any type of feedback. We will work with you to resolve any problem you may have.

### ► FEEDBACK

Due to the large number of feedback we receive, our automated system will leave feedback for you as soon as we receive your payment.

### ► SHIPPING

Our standard shipping service is free, your order will be processed within 3-4 business days after your payment. Transit time varies from 2-5 business days.

Expedited shipping takes 2-3 business days.

One Day shipping takes 1-2 business days and usually ships within 24 hours.

We only ship within the continental USA, we do not ship to Alaska, Hawaii, Puerto Rico, APO addresses or any other USA territory.

We only ship to the confirmed Paypal address. We reserve the right to cancel any order for any reason at any time.

We are not responsible for undeliverable addresses.

### ► ADDITIONAL INFORMATION

All of our items, unless otherwise stated, will only run on 120 volts. Please check to make sure your country complies with these specifications.

### ► RETURN POLICIES

We offer a 14 day return policy from checkout winning date.

An RMA number is required for all returns. Message us for return instructions. Items returned without a RMA number will not be processed.

Items defective upon receipt must be packaged in their retail packaging as if new and returned with a detailed description of the problem.

Return shipping fees are not refundable.

We reserve the right to decline any returns if the above guidelines are not followed.

#### Go Create.

You continuously evolve your content. Stream and record your finest gaming moments with HD60 S, and leverage the perfect foundation to showcase what you're really capable of.

#### Instantly Ready.

Being faster and more efficient makes a world of difference. Thanks to a state-of-the-art, reversible USB-C connector, HD60 S doesn't make you think twice. You're hooked up within seconds, and stunning 1080p60 quality won't leave any doubt that you're about to get serious. It's plug'n'play, taken to the next level - literally.

#### Instant Streaming.

HD60 S features a reliable, high-performance USB 3.0 connection to bring Gameview to an external capturing solution for the first time. Now, your setup is powered by superior low latency technology, a built-in Live Streaming feature gets you running on Twitch or YouTube in a

#### Stream Command.

With Stream Command, customize your stream layout without limits. Add your webcam, overlays, alerts and more and change your stream layout on-the-fly with scenes. Add your voice with the built-in Live Commentary feature, and you're all set for the big show.

#### Instant Recording.

HD60 S is always ready to save your most important moments, even if you didn't press the record button. With Flashback Recording, simply slide back in time on your PC and hit the record button retroactively. Seamlessly record hours of your best moments in unmatched quality and access them directly right where you need them - you'll be instantly ready to create history.

#### Instantly You.

Capturing your gameplay is just the beginning. With frictionless performance, HD60 S gives you the edge to let you perfect your production. Your audience will notice.

**Study 7 - The Sovereignty of God and the Responsibility of Man:  
(Acknowledging Two Apparently Contradictory Truths)**

### Introduction:

Both of these truths are clearly taught in Scripture. Unfortunately, man has developed systematic theologies which tend to emphasize one truth against the other. This is a serious error. We must learn to embrace the moral command by this practice. Theology according to scripture, and therefore according to God, is distinctly sovereign, and man is amazingly free.

# vMix Live Production Software Features

## All your inputs in one place

**Video Cameras** - 4K, HD and SD capable. Support for DeckLink, Intensity Pro, Webcams and more.

**Video Files** - Support for all popular formats including AVI, MP4, H264, MPEG-2, WMV and QuickTime

**DVDs** - With menu navigation

**Audio Files** - MP3 and WAV

**Audio Devices** - Mix multiple audio sources such as SoundCards and DeckLink Audio

**Video and Audio PlayLists** - Combine multiple video and/or audio files into a single Input

**RTSP, PowerPoint, Photos, Flash, RTMP, Solid Colour** and more.

## Simultaneous Streaming, Recording, and Output

Live stream to your favourite streaming providers including UStream, YouTube and Twitch.

Live Record in full HD to AVI, MP4, MPEG-2 or WMV

Output via DeckLink capable cards to professional recording decks and monitors

Virtual Capture support for streaming to 3rd party software such as Skype, Google Hangout and VLC.

# vMix Live Production Software Features

## 13 Transition Effects

Cut, Fade, Zoom, Wipe, Slide, Fly, CrossZoom, FlyRotate, Cube, CubeZoom, Vertical Wipe, Vertical Slide and Merge transitions available with 4 customisable transition buttons for easy access to your favourite effects.

## Professional HD production on a modest PC

vMix is the most efficient live production software on the market thanks to full 3D acceleration.

Create productions with multiple HD sources without breaking the bank or your CPU.

## HD Virtual Sets with high quality real-time Chroma Key

**4 Built In Virtual Sets** - Or build your own

**Full Motion Zoom** - Customisable camera position presets

**High Quality Chroma Key** - Use with or without virtual sets to suit your production needs

## PC and Mac Desktop Sources

Utilise screen capture from remote desktops running on your network. Great for PowerPoint and Skype.

Audio Capture support for Skype and other videoconferencing software is available under Windows 7

# vMix Live Production Software Features

## Built-In Title Templates

Easily add and edit a Title or ScoreBoard from the many built in templates or build your own using any Graphics or Vector editing software.

Adjust Text, Font Size and Colour and Real-Time with instant updates.

## Video Delay / Instant Replay

Create a Video Delay input and assign it to any available Camera or Output

Save multiple Video Clips of notable events for playback at a later time

Configurable slow motion playback from 5 to 400%

## Built-In Audio Mixer

Audio Mixer allows you to easily keep track of all audio sources and includes the ability to Mute, Follow (Auto Mixing) and Delay any source.

A VU Meter is also included with a peaking display to ensure each inputs level is broadcast ready.

## Live Video Effects

Colour Correct, Deinterlace, Sharpen, Zoom, Rotate, Pan and Crop any input in real time.

All effects are processed in 4:4:4 32bit colour space for optimal video quality.

# vMix Live Production Software Features

## Multi View

Combine multiple inputs together using the different "Multi View" presets or customise the position of each element with the available Zoom, Pan, Rotate and Crop controls.

## 4 Overlay Channels

vMix includes 4 Overlay Channels in addition to the Multi View feature. Each overlay channel can have its own transition effect, position and border.

## Touch Screen Web Interface

Control vMix remotely using the **vMix Web Controller** on your Surface, iPad, Android or other touch screen device using the built in web interface. Customisable shortcut buttons can also be created to activate common production scenarios.

## Find out more
